A screenshot of the Microsoft Excel ribbon interface. The ribbon is divided into several tabs: Clipboard, Font, Alignment, Number, Styles, Cells, and Editing. The Font tab is currently active, showing options for font face (Calibri), size (11), bold (B), italic (I), underline (U), text color (A), and background color. The Alignment tab shows options for text alignment (left, center, right, justified) and orientation. The Number tab shows options for number format (General, Percentage, Currency, etc.). The Styles tab shows options for Conditional Formatting, Format as Table, and Cell Styles. The Cells tab shows options for Insert, Delete, and Format. The Editing tab shows options for Sum, Sort & Filter, Find & Select, and Add-ins. The ribbon is dark-themed.
